We declare under our sole responsibility that the product is compliant with applicable provisions of :

- Commission Regulation (EU) No. 10/2011 of 14th January 2011 on plastic materials and articles intended to come into contact with food.
- Commission Regulation (EC) No 1935/2004 of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food

The above mentioned gloves can be safely used during preparation of foodstuff and come into direct contact with dry, aqueous or fatty food for short period of time.

The above conclusions are based on tests carried out by independent laboratories.

Place and date of issue:
